Thank-you for all who came to back to school night! We hope you received the information you were looking for. We were excited to see so many families there, but sad for those who are beginning their final year of Open Plan.

Monday we were able to experience the Solar Eclipse. Students in multi grade level groups took data about the temperature and made predictions about how it would change throughout the day. Students had a chance to use the Solar Eclipse glasses to see the moon move across the sun. Most students really enjoyed this day.

Students have started Math, so expect to see some math homework this week. Fourth graders will receive homework on Tuesday, while 5th and 6th may get homework daily.

4th and 5th are working on a spelling list. At home students need to complete a choice, copy the paragraph, and take a pretest before Friday. Please make sure all this work comes back Friday.

Students will also be working on their reading log. Students will need to complete 3 days worth, Tuesday, Wednesday, and Thursday.

Hopes and dreams conferences are continuing this week and next, if you have not had a chance to sign up with your child's ELA teacher, please look for the sign-up outside our doors or text / email.

Every child should have a book they can read at school, please make sure it is here each day.
