August 15, 2017

What an amazing start to the school year. We are looking into everybody's goals for the year and how we can help each other get there. We will be focused on a teamwork unit for the first 2 weeks to help guide us. The unit allows for students to find their own strengths and weaknesses, take risks, and rely on each other.

Thursday is back to school night from 6-7:15 for fourth and fifth graders, and 6-7:30 for sixth graders. We will be giving out all the special days that we have put on our calendar, as well as going over the yearly expectations. It is a very important night.

You can also reserve your spot (5th and 6th grade parents) to our bi-annual Monterey field trip. This trip only allows for 22 adults who must all drive. Each child's cost will be 120 while each adult cost will be 160. You may pay for this trip on Thursday.

Sixth grade parents may express their interest in being a tall sailor for the SHIPS field trip, but only 6 parents may go on this trip. More details to follow.

Homework this week, is to get your students' conduct code book signed; page 79-80 and returned in your Tuesday folder.

Hopes and dreams conferences are continuing this week and next, if you have not had a chance to sign up with your child's ELA teacher, please look for the sign-up outside our doors or text / email.

Every child should have a book they can read at school, please make sure it is here each day.
