

FREMONT OPEN PLAN

August 29, 2017

Welcome to third week of Upper Department. Things have been going great so far. This group seems very mature and ready to learn.

Please check your calendar, there's a lot going on this week at Fremont. There is a book fair open all across from the hallway. Wednesday and Thursday are minimum days. Friday is pictures and genius hour reveal. All students will choose a teacher led genius hour over the next five weeks. This will teach them to come up with a driving question, learn how to research, and give expectations of what a project may look like.

Homework

4th/5th/6th grade: math, spelling reading log

After school on Thursday in Dorene's room (1:30): Memory book meeting for those parents and students who want to help create the memory book.
