example	entail	exclaimed	expert	exceed
engraved	exclude	extreme	extinguish	experience
exterminate	expiration	extravagant	enlighten	enamored
endure	encode	enable	endanger	enclosed

Paragraphs to copy:

Stefan exclaimed, "It is important to watch for expiration dates that are enclosed on packages, in order to not endanger one's health."

"I agree!" stated A.P. and extinguished all signs of the remaining products.

An expert spoke to the class on health and stated that this experience should stay engraved in their minds.

"I feel enlightened with this information, already!" exclaimed Kaitlyn.
