1)The audio book was great to listen to on my drive to work, since I had to watch the road and couldn't read.

2) The audience for the play was very loud, causing the actors to have to stop and ask them to be quiet.

3) The pattern I saw in the kaleidoscope was so pretty as I turned it around and around.

4.The scientist wanted to see the tiny germs in action so she used a microscope.

5) The dictator was very demanding of her subjects, making them listen to every work she said.

6)The dictionary was useful when I didn't know how to spell or pronounce a word.
