Group 5 lesson 11      ject-throw      gram-write

transcribe	construction	dejected	grammar
inscribe	infrastructure	projectile	cardiogram
describe	reconstruct	reject	telegram
scribble	substructure	trajectory	anagram
subscribe	misconstrue	interjection	palmatogram

A scribeused to be the primary writer of documents before the printing press was invented

The baby carelessly wrote meaningless scribbles all over the wall.

After the earthquake, we realized the substructure had a giant crack.

When I first began teaching, I would use an overhead projector to throw images up onto the wall.

When I have a grammar question, I always asked Todd because he is great at grammar.
