addict	distracting	admit	mislay	misprint
misfit	disband	abstract	disclaim	distraught
display	mismatch	mistaken	disarray	disorder

Paragraph to copy:

"Banish him from the village," yelled the milkmaid, wearing a damp, maroon scarf. The **distraught** crowd looked worried when they heard the milkmaid scream. They had to **admit**, the man was a milk **addict**, but he was moneyless. So, he decided to steal the milk by **distracting** the merchant. The thief maintained his cool. He tried to steal the milk, but he was caught. The crowd applauded and then **disbanded**.
