

FREMONT OPEN PLAN

October 3, 2017

Genre day was amazing. Thank-you to everybody who was able to help in the different classrooms.

Each homeroom selected two student representatives from each classroom. These two students will attend every other student council meeting and help make decisions about our school. We had almost half the students run for classroom representative.

Monday and Tuesday morning were spent completing the district's English Language Art Benchmark Test on the computers. This took from 2-3 hours to complete. Due to the time taken on this test we were not able to have spelling groups this week, so no spelling homework or spelling test this week.

Please sign the permission slips for Calaveras Big Trees (4th grade) and Monterey for (5th and 6th). **Please make sure you write your child's name on the permission slip.** Driving forms need to be turned in 1 week before the field trip. For Calaveras driving forms are due 10/9/17 and Monterey is due 10/16/17. We will be carpooling to Monterey. Please indicate the number of students you can take in your car, or if you don't want to drive, on the permission slip. We have 35 parents and we will need no more than 17 cars.
